Dated: 28/04/2020

To,

The Director,
All India Institute of Medical Science,
Rishikesh.

Subject: RTPCR kits for COVID-19 testing, regarding.

Sir,

I would like to convey my regards to you for assisting State in combating COVID-19 viral infection, by efficiently testing samples in your premier Institute. State is always there to facilitate you at every level. Recently, we provided SD biosensors RTPCR kits as per your demand of 3500 reactions free of cost to your microbiology lab. However, the organization which provided the kits, supplied the stock of other two labs also to your microbiology department. The whole consignment was of 8500 reactions of which 3500 reactions are for AIIMS microbiology lab.

This is to kindly inform you that the other two medical college heads will collect their stock from your institute at the earliest. Kindly facilitate them in the process.

Thanking You
